

Escribiente

May 2009

The Arts and Aesthetics Committee at First Unitarian Church will review works for consideration for all 2010 exhibits on Sunday, May 24th. Six to eight works (matted and framed) from 6-8 members will be reviewed. There is also a case for small three dimensional items. Betsy is a member of this committee and will be one of the "sponsors" for the exhibit.

If you have an extraordinary manuscript that you would like to submit, email Betsy: townsendbb@gmail.com. The first eight to respond will be notified and asked to bring their work to the Escribiente meeting May 6th. Betsy will return the work at the June meeting.

The next general meeting is May 6th at 6:30 PM.

Check the Summer edition of the Escribiente newsletter arriving in your mailboxes in the near future. You will see an announcement of the June 6 workshop at the Custom Paint Store. The supply list will appear in the newsletter. Julie Gray will be our instructor in the technique of embossing. We are so fortunate to have our very own members who are willing to share their skills and talents.

Ghost Ranch *Literally Letters* is June 15-21. Go to Ghost Ranch.org for information, or phone 505-685-3333.
