

# Power Pages: *Design Techniques*

A Two-Day Workshop with Barbara Close

Saturday, January 30 & Saturday, February 6, 9 AM – 4 PM \* ONLINE via Zoom

Our imaginations can take us to new heights – if we allow them to do so with open minds and a will to explore new territories. Barbara will show techniques in designing page layouts without intimidation. Fun, step-by-step processes will be reviewed as well as thinking outside the boxes. We'll be creating the art you once dreamed of with full confidence and joy. The essential calligraphic quality of marks and lettermaking will be stressed. Many unusual tools will be employed to help create these POWER PAGES.

#### ABOUT YOUR INSTRUCTOR:

**Barbara Close** is an internationally renowned calligrapher, designer and instructor with a passion for creativity and a love of lettering. She encourages her students to create appealing calligraphic art using a wide variety of mixed-media techniques.

Barbara loves the exhilaration of discovery in playful experimentation along with skillful execution: "Finding one's own path is a true quest of mine – and I love sharing this with others."

Barbara's studio is located in La Mirada, California, where she teaches online to students both locally and around the world. She shares her signature contemporary pointed pen style in *Pointed Pen Possibilities*, a series of professionally recorded online classes hosted by Sandia Workshops. She has taught at several national and international lettering conferences, including IAMPETH and Lettering CA Style. For more images, visit Barbara's [website](#).
